TO ALL BUREAUX – MEMBERS OF THE GREEN CARD SYSTEM

RE: False UA Green Cards issued in respect of the vehicles with foreign registration

Dear Sirs,

Recently we have revealed a range of facts when the drivers of the vehicles with foreign registration plates presented false UA Green Cards at the scenes of accidents on the territory of the countries - CoB Members.

All of those vehicles were allegedly registered in Iran.

The UA Bureau does not guarantee such Green Cards according to the provisions of the Article 9.2 of the Internal Regulations.

For your information, MTIBU does not authorize its Members to issue Green Cards in respect of the vehicles with foreign registration plates.

The purpose of this letter is to inform you about the said phenomenon and to ask you to assist in preventing of such illegal activity as far as possible.

Further measures or actions on this issue we leave to your kind discretion.

Yours sincerely,

Mykola Lutak
Deputy Director General
